Introducing . . . the 500+Club

This exciting and innovative Golf Club trial membership at only £500, permits you access to the golf course at a time and frequency to suit yourself. Designed specifically for the 25-45 age group whose time is restricted by responsibilities of a young family or pressure of work and also for the newer golfer who does not feel ready for full membership.

The easy to follow scheme works as follows: For £500 you are credited with 500 points on your "500+Club" account. Each time you play the course your account will be debited by an amount of points. The points debited will be according to when you play as outlined in the tariff on the right. At the end of the first year, any unused balance is carried over and simply added to the following year's new £500.00 subscription.

The 500 Club Membership entitles you to....

- Gain an officially recognised CONGU handicap
- To top up your 500 Club card as often as you require
- 10% discount on bar prices in the Club-House
- All the full members' benefits other than playing in Board and Club Trophy competitions.
- Automatic transfer to full 5 or 7 day membership when you are ready

Terms and Conditions

The 500+Club membership category is open to golfers new to Pinner Hill and aged 25 - 55 years. The scheme runs for a period 2 years extended to 3 years for golfers in the 25 -45 year age bracket.

500+Club members simply "swipe in" at the Pro Shop prior to play. They enjoy almost all the privileges of full members and can play in monthly medal, monthly stableford competitions and all golfing events except Board and Trophy competitions.

500+Club members can also play in the various Sections' inter-club matches provided that PHGC is their "home" club. Note that away matches are included and the member's card should be debited at Pinner Hill before travel to the away Club.

All members are required to abide by the Club's rules, a copy of which, is available upon request.

The £500 fee loaded to your card may also be used to take advantage of the 10% discount on Bar sales which will reduce the balance available for green fees debits. The card excludes purchases at the Pro Shop.

500+Club members can top up their card at the Club-House bar till. Any unused balance at the end of the subscription year is carried over and added to the following year's £500 subscription. Members with more than £300 balance or who joined the scheme in the last 4 months of the subscription year may opt for a reduced top-up of £250.

There is a small charge for EGU affiliation and a £2 members' shareholding. The 500+Club tariff may change in line with the green fee and membership annual review.

500+Club members can move up to full membership at any time with any unused balance credited against the full subscription.
